ABOUT THE ASSESSOR'S WEBSITE:

1. Go to WWW.NYECOUNTY.NET.
2. On the left side of the web page, click "Assessor's On-Line Information System."
3. Click "Real Property."
4. There are three options to initiate a search.

Search by Parcel #. This will search for a range, so both boxes will need to be filled in, even with the same parcel number.

Search by Owner's Name. The spelling must be exact. If search returns without results, you may want to use just a last name and get a list of properties from which to choose.

Search by Property Address. Again, it must be exact. If search returns without results, you may wish to use just the street name and get a list of properties from which to choose.

5. Click "Search."
6. Print the page.
7. At the top of the page, click "Assessor's Home."
8. At the top of the page click "Maps." A drop down box will appear. Click the top option, "Assessor's Parcel Map Pages."
9. Using the eight digit APN#, click on the last two numbers of the first set of numbers. If your APN is 033-431-05, click "33."
10. Click the first two numbers of the second set of numbers in the APN. If your APN is 033-431-05, click "43."
11. The Parcel Map will open. This is where the subdivision name is located. Print the map.
12. Please submit the completed package to UICN by fax, mail, email (mmoses@uiwater.com) or hand delivery. The form should be accompanied by the Parcel Map and Assessor's Real Property Inquiry which are the two pages printed from the website.
