**APPLICATION FOR NEW CONSTRUCTION**

Date of Application: \_\_\_\_\_

Contractor Name: \_\_\_\_\_

Contractor Billing Address: \_\_\_\_\_

Contractor Phone Number: \_\_\_\_\_ SS# or Fed ID # \_\_\_\_\_

Municipal Address of New Construction: \_\_\_\_\_

Lot Number: \_\_\_\_\_ Subdivision: \_\_\_\_\_

The undersigned applicant representing the contractor, is requesting all of the service provided by the payment of the applicable System Development Fee. The System Development Fee due for this new construction is \$ 245.00 which is due upon receipt of the application.

The water house connection must be connected to our service tap before requesting an inspection. It is the contractor's responsibility to call Utilities, Inc for an inspection prior to backfilling the connection point. The connection being backfilled prior to our inspection will result in it having to be dug back up. No inspections will be done after hours or on weekends.

The contractor shall recognize and abide by all OSHA excavation safety standards. Any material, construction methods, or material costs to comply with these safety standards shall be the contractor's responsibility.

Once the water connection has been installed at the above address, the account will then be charged for water.

The contractor will be billed a new account fee in the amount of \$15.00 on the first bill.
