APPLICATION FOR NEW CONSTRUCTION

Date of Application:

Contractor Name:

Contractor Billing Address:

Contractor Phone Number:

SS# or Fed ID #

Municipal Address of New Construction:

Lot Number:

Subdivision:

The undersigned applicant representing the contractor, is requesting all of the service

provided by the payment of the applicable System Development Fee. The System

Development Fee due for sewer new constructions is a total of \$ 500.00 which is due upon

receipt of the application.

After the sewer lateral has been connected to the sewer main the contractor will contact Utilities, Inc

to have the connection inspected. When the connected has passed inspection by Utilities Inc. the ditch can be closed.

Once the sewer connection has been installed at the above address,

the account will then be charged for sewer services.

The account will be billed a new account fee in the amount of \$100.00 for service on the first bill.
